### THI Major Home Improvements.

This is the THI company for the big jobs!

The PROVEN Storm  
Damage Repair Experts

## THI Storm Repair

We are the most respected name in Storm Damage Repair. We have helped thousands of regional home owners protect their home following a damaging hail or high wind storm. Our long time association with many of the state's top insurance companies allows us to help our clients negotiate a fair insurance settlement - in the vast majority of cases our entire fee is covered by the insurance company with little or no money out of the pocket of the homeowner. We are Reliable - Dependable - And are committed to Quality.

## THI Flood Damage/Water Remediation

At THI, we are also highly experienced flood damage and water/mold remediation specialists.

A clean up following a flood, broken water pipe or any water damage must be professionally done to insure your home is free of mold, mildew and other hazards that can affect the health of your family and the value of your home.

## THI Home Maintenance and Repair

This division is for the smaller jobs on your home. Need your gutters cleaned? How about replacing that old ceiling fan? Let us take over your "Honey Do" list! THI can help with projects that range from staining decks to replacing faucets and installing toilets and so much more. A THI Handy Man is highly trained, efficient and willing to take on those tasks that have been on your "to do" list for some time.

## THI Can Help

We offer the following Flood and Water Remediation Services:

- Water Removal
- Dehumidification
- Clean-Outs
- Mold Mitigation
- Dry Wall restoration
- Reconstruction Services
- Assistance With Insurance Claims
