## Villari Brandes & Giannone... The Lawyers That Law Firms Turn To.

If you are a non-medical malpractice or personal injury firm looking for a partner firm based just outside of Philadelphia County, look to Villari Brandes & Giannone.

We have a long history of working with small or specialized firms handling their often highly complex Personal Injury and Medical Malpractice cases, including birth injuries.

We'll let our work in courtrooms across the Commonwealth and beyond speak for itself, but we are known as relentless advocates for your clients. Our work while typically focuses on all forms of Personal Injury and Medical Malpractice, including Class Action Litigation, Defective Products, Nursing Home Abuse, complicated car, truck and other transportation accidents and more.

We stress communication with you and your clients, ensuring that you have a full understanding of the counsel we're providing and the ongoing status of the case.

Also, at VBG, we offer a generous fee sharing arrangement.

Contact us today and find out why firms across Pennsylvania turn to Villari Brandes & Giannone.
